DAVE WHITE, GEORGETOWN STAR. WILL COACH WESTERN HIGH NINE

Dave White, Georgetown's star baseball and football player, was yesterday selected by Capt. Buck Howard as the coach of Western High School's haseball team for the coming season. This announcement caused great joy among students of the Western school.

White came to Georgetown from Phillips Exeter Academy, where he played tackle, having as a running mate Eddie Hart, all-American tackle at Princeton. During the season of 1911 White played full back for the Bibe and Gray, and it was he who was mainly responsible for the success of that wonderful backfield that year.

White has been one of Georgetown's first string pitchers for the past year and has always done creditable work.

Western will be without the services of an experienced twirler the coming spring, and it will be with the developing of a pitcher that White will be mostly concerned. The battery candidates will be called out in a few days and active work begun.

Winner Again.

Furey is best remembered for his achievements in 180, the greatest of which was the winning of the all-around championabil pet the Middle Atlantic Association of the Amateur Athletic Union, in which he took first place, beating White, the wonderful colored athlete, who was then a student at the University of Peomaylvania. His number of points for that day was 5,600. The meet proved to be a sort of try-out for the all-around championships of the Amateur Athletic Union, which were later held in Chicago, in which were later held in the took of the took of the later held in the fact that he won the nile run.

Here that we may be consolation for him in the fact that he was the nile run, the final event on the programme that day.

It was only in this race that he showed his true form.

At the present time Furey is coaching the track athletes of the College of Osteonsthy, and he will run for the college in the annual relay races of the University of Permayivania.
